**PROPOSED DEVELOPMENT SITE PLAN INFORMATION**

- If floodplain is on the parcel, a Benchmark Certificate is required before shoreland permit issuance.
- A Certificate of Compliance and a FEMA Elevation Certificate must be submitted to this office before occupancy of any structure in the floodplain. List FEMA Panel(s)

Estimated Project Start Date:

Estimated Project Completion Date:

**Project Description and Site Plan.** Include a scaled site plan meeting all the requirements of Chapter 23, Article 2, Ashwaubenon Municipal Code. Identify all applicable structures, setbacks, and vegetative buffers.

## CERTIFICATE OF DESIGN AND CONSTRUCTION

The undersigned hereby makes application for a shoreland permit for the premises described. The undersigned agrees that all permits and approvals will be obtained prior to the start of any development. Development shall be completed in compliance with Chapters 14 and 23 Ashwaubenon Municipal Code, and any other applicable, local, county, state, or federal regulations. Issuance of this permit does not release the applicant from the responsibility of obtaining any other permits that may be required. This permit is valid for two years from the date of issuance.

Wetlands Notice to Permit Applicants: You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the Department of Natural Resources wetlands identification web page or contact a Department of Natural Resources service center.
