

ASHWAUBENON RESIDENTS

The Water Utility will be conducting its final hydrant flushing program of the year during the week of September 11th through September 15th. The purpose of the program is to exercise the hydrants and flush out the water mains. Hydrant flushing will take place in the area of the Village South of Highway 172 to Grant Street. The water is completely safe during all stages of the flushing program; however, please check the water for discoloration prior to washing any clothes on these dates. Please contact the Water Utility at 492-2335 with any questions or concerns. Thank you.
