GENERAL INFORMATION

Registration for RESIDENTS begins on August 31. NON-RESIDENT registration begins on September 8 @ 7:30 a.m.

Please Note: Some programs have exceptions.

RECREATION SCHOLARSHIP PROGRAM

The Parks, Recreation & Forestry Department, with the assistance of the Ashwaubenon Lions have a limited amount of resources set aside to grant scholarships for children to participate in recreational activities. Scholarships are granted according to the free or reduced price school lunch program. For further information please contact the Parks & Recreation Department.

ARE YOU A RESIDENT?

A resident for registration purposes is anyone who lives within the Village of Ashwaubenon. Any person residing outside of the Village boundaries will be considered a nonresident and will pay their fair share through an additional surcharge established by the Park Board.

AUXILIARY AIDS

Auxiliary aids for disabled persons wishing to attend or participate in the Village of Ashwaubenon's Recreation Programs are available upon request at least 96 hours in advance of the events. If a notice of less than 96 hours is received, the Village will make every attempt to provide the aids, however, this may not be possible with such short notice.

RENTING OUR FACILITIES

The Ashwaubenon Parks, Recreation & Forestry Department has facilities that may be rented throughout the year for various events. Some facilities are for Ashwaubenon based businesses and property owners ONLY and some are available to both residents and non-residents.

What events our facilities are available for:

- Baby/Bridal Shower
- Family Reunions
- Picnics
- Retirement Party
- Birthday Party
- Wedding Reception

What events our facilities cannot be rented for:

- Fundraising Events
- Political Rallies

The individual renting the facility and receiving the contract for the rented facility MUST be in attendance the day of the rental as they are the individual who will be held responsible for the facility. Businesses renting our facilities will be required to submit a certificate of insurance with the Village of Ashwaubenon listed as an additional insured.

FROM THE DIRECTOR'S DESK...

"Autumn is a second spring when every leaf is a flower."

A quote by Albert Camus

Autumn is nearly upon us. We hope that you were able to enjoy some sunny time off this summer, and visit our programs and facilities!

There's another great new lineup of Parks, Rec & Forestry offerings for you to enjoy. Here's some highlights!

- The Canterbury Park playground has been installed. Thanks to the residents around Canterbury Park who received a playground "ballot" and submitted their votes!
- We are partnering with Ashwaubenon High School for a "Tech Empowerment" class!

Registrants will be paired with a local high school student who will help answer your questions & guide you through using your smartphone, tablet, or computer at your own pace here at the community center. No excuses anymore for saying "I don't know to do that!" See page 15.

- We get quite a few calls regarding Forestry operations. An EAB tree replacement planting update is in the Forestry section! Due to the number of trees needing replacement...it will be done in waves, by neighborhood. Also...Did you know that Forestry has over 35 individuals, families and groups who volunteer in flowerbed maintenance and park cleanups? WOW. We're starting a "Volunteer Spotlight" in this issue to recognize their efforts in making Ashwaubenon a great place to live.

- The Ashwaubomay River Trail addition in Ashwaubomay Park is being well used! Brown County Parks has plans to now extend the trail behind the NEW Water treatment facilities, and into the Brown County Fairgrounds. Additional construction is scheduled to begin this fall. It will be enjoyed and used by generations of both residents and visitors.

- Tennis anyone? New lighting at the Pioneer Park tennis courts has fully lighted all seven courts to US Tennis Association play standards. The lights go on with a simple push button on the electrical panel. They stay lit for an hour after activating, and can be continually activated on an hourly basis until the shut-down time of 10p.m.

- We've got great new programming for our 55+ active/older adult population. This programming continues to expand, and makes the Ashwaubenon Community Center a hotbed for friend meet-ups, education sessions, and just plain fun!

- WOW. We are still marveling at the beautiful stage/bandshell that has been built in Klipstine Park! We were able to hold a number of concerts on stage this summer (as weather allowed), as well as several smaller special programs. The positive feedback received will challenge us to keep this amenity "moving and grooving" in future seasons! We can't give enough thanks to our three donors....Ken & Marge Bukowski, Dick Haepfel & Family, and the Appleton family.

There's a lot going on, and we hope you're able to take advantage of some of it! From "our" staff family to yours....have a great fall, holiday and winter season!

ACTIVE ADULTS PROGRAMS

1.0 IGNITE YOUR BRAIN - 8 WEEKS OF LEARNING

**EXERCISE YOUR BRAIN.
LEARN SOMETHING NEW.
BUILD HEALTHY HABITS.**

Back by popular demand, the Brain Center will continue its 8-week series focusing on the power of neuroplasticity—how we make our brains stronger—at the Ashwaubenon Community Center. Designed for adults who want to proactively support their brain health. This engaging course explores how the brain works while introducing practical strategies to strengthen memory, attention, problem-solving, and overall cognitive wellness.

WHAT YOU WILL GAIN:

- Understand how your brain works
- Challenge your thinking with engaging activities
- Build habits that support lifelong brain health
- Connect with others in a welcoming environment
- Learn practical memory strategies

Registration Required. Pre-register by Friday, September 4th

Location: Ashwaubenon Community Center

Fee: **\$40 (IYB Workbook Included)**

FOOD IS MEDICINE-OPTIMIZE YOUR BRAIN HEALTH

Our brain's constant supply of fuel comes from the foods we eat. Emerging research from the fields of neuroscience and nutrition shows that by changing what you eat, you can improve your mental and emotional well-being. You can stabilize your moods. You can improve your focus. You can even make your brain grow. Join us to learn how food affects the brain's structure and function.

Registration Required. Pre-register by Friday, January 8th

Date: Tuesday, January 12

Time: 10 a.m.

Location: Ashwaubenon Community Center

Fee: **Free**

NEUROBICS & MEMORY STRATEGIES

Neurobics is designed to help you maintain mental fitness, strength, and flexibility as you age. The neurobic strategies present the brain with non-routine or unexpected experiences using various combinations of your physical senses. Let's explore how neurobic exercises can use the five senses in novel ways to enhance the brain's natural drive to form associations between different types of information and improve our memory.

Registration Required. Pre-register by Friday, March 5th

Date: Tuesday, March 9

Time: 10 a.m.

Location: Ashwaubenon Community Center

2.0 IGNITE YOUR BRAIN - 8 WEEKS OF LEARNING

**EXERCISE YOUR BRAIN.
LEARN SOMETHING NEW.
BUILD HEALTHY HABITS.**

Ignite Your Brain 2.0 - is a course designed for those who previously completed the 1.0 version. This 8-week class will build upon the concepts introduced in 1.0 and will include exercises and guided practices aimed at enhancing various cognitive skills. Learning and memory are processes that rely on neuroplasticity—the brain's ability to adjust and strengthen its neural connections as we acquire new information. Our lifestyle choices play a crucial role in shaping the brain's plasticity. Don't miss out on this opportunity to elevate your cognitive abilities and stay connected with your best self!

Registration Required. Pre-register by Friday, September 25th

Date: Thursdays on 10/1, 10/8, 10/15, 10/22, 10/29, 11/5, 11/12, 11/19

Time: 9 a.m. – 10:15 a.m.

Location: Ashwaubenon Community Center

Fee: **\$40 (IYB Workbook Included)**

LEARN ABOUT NEUROPLASTICITY

Our brain's amazing ability to adapt, change and create new pathways. Neuroplasticity refers to the brain's ability to continue to grow, change and evolve in response to life experiences. It helps form both our good and bad habits and is the basis for all new learning, training and rehabilitation. Neuroplasticity is an active and dynamic process that occurs over our lifetime. Let's take charge of our brains to help keep them sharp and to prevent cognitive decline!

Registration Required. Pre-register by Friday, February 5th

Date: Tuesday, February 9

Time: 10 a.m.

Location: Ashwaubenon Community Center

Fee: **Free**

STRESSING ABOUT STRESS

Let's boost our moods by understanding what stress is and how it impacts our thinking and relationships. When we encounter a stressor, our brain and body respond by triggering a series of chemical reactions that prepare us to engage in a "fight or flight response" from the stressor. This activates the amygdala, or "fear center" of the brain, and causes a series of events. The good news is we can change our feeling of being overwhelmed, anxious, and fearful. Let's learn the tools to relax and boost our moods.

Registration Required. Pre-register by Friday, April 9th

SNOWMAN BUILDING CONTEST

This contest is open to all Ashwaubenon Residents. Participants should build their snowman in their own yard and take it's picture! We encourage you to add your own creative touches to make your snowman unique. Winners of the contest will receive a free program registration for any of our Park and Rec programs (up to \$35.00) or an Individual Lake Season pass to use in warmer weather. In any case...bragging rights for the whole year!!!

Contest Dates: **FIRST SNOWFALL-FEBRUARY 28TH**

Contest Categories: Best Traditional and Most Creative

How to Enter: Send a photo along with your name, address, and phone number to mescoto@ashwaubenon.gov or drop your photo and info off at the Ashwaubenon Community Center.

A LETTER FROM SANTA CLAUSE

HO HO HO, Merry Christmas! We have just the thing to make your child(ren) full of Christmas cheer; a letter from Santa Claus. If your child would like to receive a letter from Santa, please download a registration form from our website, stop in our office at 900 Anderson Drive, or stop by the Ashwaubenon Library and pick one up. Registration forms must be completed and turned in by December 4th @ 11 a.m. Letters will be mailed home the week of December 7th.

For: Ashwaubenon resident children

Fee: FREE!

Oh No!! Santa needs our help ... and fast! He sent out his Scout elves to watch all the good little girls and boys this year, but some of the elves decided playing in the parks would be more fun. We need your help to find them! Santa has tracked them to some of the parks in Ashwaubenon. Can you help us? Santa will update us each week beginning Nov. 30th with the names of the elves that are missing.

Head to our Facebook page:

<https://www.facebook.com/ashwaubenonparkandrec>

Santa will give us his updates beginning Nov 30th.

Follow our page to keep up-to-date on which parks we have tracked the elves to and which elves are still missing!

Your Mission: Head to the Parks on the list and search for the missing elves.

Remember, elves love to hide and can be tricky to find!

If you find an elf

1. Take a **sELF**ie with him and send the picture with your name and the park to mescoto@ashwaubenon.gov or text it to (920) 606-6357. Your picture may be used on our facebook page!
2. Return the elf to the Ashwaubenon Community Center (900 Anderson Dr.)

Monday-Thursday between 7:30-4:30 p.m. and Friday 7:30-11:00 a.m. so we can send him back to Santa before Christmas!

ASHWAUBENON'S SWIMMING LESSON PROGRAM

The Ashwaubenon Swimming Lesson Program helps swimmers of all ages and varying abilities develop their swimming and water safety skills. It is designed to give students a positive learning experience. If you are unsure what level to enroll in, contact our Aquatic Coordinator and she will help you choose the appropriate class. These are the skills your child will learn in each level. If they can already complete these skills, move up to the next level.

PARENT AND ME AQUATICS (6 MONTHS - 3 YEARS OLD)

Participants must be accompanied by an adult in the water for the entire 30 minute class. Parents are instructed how to safely work with their child in the water including how to properly support and hold their child. The child will be exposed to games that use basic movements, such as kicking, arm strokes and breath control. Activities are based on the developmental abilities of the child.

TINY TOTS - (AGES 3 - 4 YEARS OLD)

Blowing bubbles, putting face in water, back and front float with assistance, front crawl arm action, exit water on their own.

LEVEL 1

Enter & Exit water independently, front and back float with support, 3 bobs, blow bubbles, front and back crawl with assistance.

THINGS YOU SHOULD KNOW

CHANGING ROOM POLICY: Children 5 and older are asked to use appropriate changing rooms. We have also have 3 family changing rooms available in the warm water pool.

PARENT WATCH POLICY: Parents are welcome to watch, but with your child's interest in mind, we ask that you keep interaction with your child to a minimum. Our instructors have found that the quality of instruction has often been affected by parents and/or sibling distraction, interruptions and various other concerns during class time. We also feel it is most beneficial for children to have recreational time with their peers. Our instructors always welcome the opportunity to discuss participant's progress with parents. Please contact your instructor before or after class with any special concerns.

REFUND POLICY: If a participant cancels a registration, \$5 will be charged for processing with the balance of the activity fee being refunded. Cancellations may occur up to two days before an activity

unless there is a registration deadline. NO REFUNDS will be given after an activity has started

POOL TEMPERATURE: Competitive pool is kept at 81 degrees F and the warm water pool is kept at 89 degrees F.

LOCKER FACILITIES: The pool offers storage for your belongings while using the pool. There are lockers available in each locker room in that may be locked with a personal lock.

GOGGLES: For levels 1-3 we do not recommend goggles because children need to learn to be comfortable in the water without any aids. However, with the upper level classes, goggles are recommended as students are expected to spend significant amount of time doing a variety of skills with their faces in the water. Goggles will help to reduce eye irritation.

Please note: Mask type goggles with the nose piece attached are strictly prohibited.

AQUA POWER

Jump into Aqua Power, a high intensity shallow water challenge designed to push your limits.

This Vigorous workout transforms the pool into a liquid gym, utilizing a diverse arsenal of tools- including water dumbbells, weighted balls noodles and kickboards- to maximize resistance and results. All fitness levels welcome! You drive the intensity. This class is taught by Chelsey Ramirez and team.

ADOPT A PARK

The Village of Ashwaubenon would also like to show our gratitude and appreciation for the 2026 Adopt A Park volunteer's role in keeping our park facilities looking their best. These dedicated volunteers organize a minimum of three park cleanups per year and bring any maintenance needs to the attention of Village Staff. Below are the groups, individuals or families that deserve a word of thanks for keeping Ashwaubenon's parks clean.

PICK A PARK PROGRAM

The Village of Ashwaubenon's Pick A Park program is designed for groups or organizations interested in organizing a single day service project. Any of the Village's parks are available for this exciting program whether or not they are already adopted through our Adopt A Park program. The Ashwaubenon Sports Complex along with Pioneer and Ashwaubomay Parks are larger sites that are suitable for bigger groups and generally are in need of additional assistance.

VILLAGE TREE PLANTING PROGRAMS

With Emerald Ash Borer causing widespread tree loss throughout the Midwest, interest in tree planting is at an unprecedented high level. The Village has several programs to promote the planting of trees in our community with each one playing a unique role to promote tree planting in our public spaces. Common and basic similarities between the programs include the following:

- The number of trees to be planted in the right-of-way is based upon the presence of infrastructure (hydrants, light poles, underground utilities, etc.), location and mature size of adjacent trees and linear feet of street frontage.
- Please note that maples are NOT being offered as a planting option due to over-planting of this genus in the past; currently, 50% of Ashwaubenon's street trees are maple.
- Diggers Hotline will locate public gas, electric, phone, cable, sewer & water utilities. Any private utilities in the public right of way such as irrigation, underground pet fences, etc. are your responsibility to located.
- After establishment, Village staff will return to remove the metal support stakes installed at the time of planting.

NEIGHBORHOOD STREET TREE PLANTING PROGRAM (NSTPP)

The NSTPP is an active partnership between residents and the Village to promote the benefits of tree-lined streets. This program takes place every year and serves residents wanting a tree planted in an established neighborhood or to replace a tree removed by the Village. New plantings are done in the fall while replacement trees are typically done in the spring. Participating residents pay \$100 to help defray the tree cost and are asked to help with watering for the first several years. The Village will be responsible for ordering, planting, future maintenance and provide a 5-year replacement warranty.

If you would like to order a tree, please reach out to the

Parks, Recreation and Forestry Department by September 1 each year to ensure your participation in this program.

NEW SUBDIVISION TREE PLANTING

Subdivisions developed in approximately the last 2 decades have the unique opportunity to incorporate trees into the development process by way of the developer's agreement. This agreement outlines each aspect of how a subdivision will be developed and funded. While there is not a direct cost to residents, a line item in the developers agreement is added to fund tree planting. Planting takes place once the majority of lots in a particular section have homes and rough grading done on the lot. Recent examples of subdivisions with trees incorporated into the development process include Spring Meadows, Meadow Gardens and Woods Edge. The Highland Ridge subdivision is currently being planted in the order of each of the three phases.

- Phase 1 – planted in Spring 2026
- Phase 2 – scheduled for Fall 2026
- Phase 3 – scheduled for Spring 2027
- Fall 2027 – remaining lots and replacement plantings

EMERALD ASH BORER REPLACEMENTS

Since 2021, over 1600 ash trees have been removed from our streets and parks because of the Emerald Ash Borer (EAB). This number does not include trees located in natural areas of parks and green spaces. Now the focus switches to replanting areas left bare from this widespread tree removal. Funding for replacement trees is included in the overall funding to manage EAB. Beginning in the Fall of 2026, areas will be replanted in the same order they were removed. It is estimated that 650-750 replacement trees will need to be planted and will take time to get everybody's needs addressed. Residents do not need to do anything currently except we ask for your continued patience as we work through this process.

A 'Magyar' ginkgo planting on Highland Ridge Drive.

BENCH DONATIONS

There were eight dedication/memorial benches which were ordered and installed in the last year. These donations benefit users of our parks and trail system, as well as leaving a memory or recognition for those they honor.

THANK YOU for the following benches:

Argonne Park in memory of James Lauscher
 Ashwaubomay River Trail in memory of Ted & Jane Houle
 Ashwaubomay River Trail in memory of Ken Vincent
 Ashwaubomay River Trail in memory of Harvey & Betty Heimerl
 Ashwaubomay River Trail in honor of the Hoogland family
 Sand Acres Park in memory of Brynn LaBar
 Smith Park in honor of Phyllis Hoogland

If you are interested in discussing this type of, or a similar donation to our park system, call the Parks, Recreation and Forestry Department! Please be aware that some facilities and trail areas have been "closed" to further bench placements so as not to have a proliferation. But...there are still many park locations open for discussion, especially for seating around our playground areas.

PRUNE OAK TREES NOW TO PREVENT SPREAD OF OAK WILT

The Village of Ashwaubenon encourages residents to schedule their oak trees for pruning this coming fall or winter. Village ordinance requires that oaks be pruned from July 15 to April 1 to minimize the spread of Oak Wilt (*Ceratocystis fagacearum*). Most oak wilt moves from diseased trees to

healthy trees through roots that have become interconnected (root grafts). Oak wilt can also spread above ground by sap-feeding beetles. The fungus produces a sweet odor that attracts sap-feeding beetles who then feed on sap from fresh wounds, carrying the fungus on them and thus infecting healthy trees.

FALL IS TREE PLANTING TIME!

The Neighborhood Street Tree Planting Program will once again be offered in the fall of 2026. The planting program is a cost sharing partnership between the Village and its residents to promote the benefits of tree-lined streets. The resident pays \$100 to help defray the cost of the tree while planting, maintenance and replacements will be the Village's responsibility.

A selection of suitable trees will be sent with an order form in early fall and planting will be done in late October or early November.

Interested residents are asked to call the Village Forester before September 1, 2026 to be included in the program.

Please see page 32 for additional info the Village's tree planting programs.

TREE DONATION PROGRAM

The Village of Ashwaubenon Parks, Recreation & Forestry Department is pleased to offer a Tree Donation Program. This program will provide individuals, families and organizations a way to remember a loved one, honor someone special or recognize a special achievement.

If you would like to further discuss specific details of the program, a Parks, Recreation and Forestry staff member will be happy to meet with you to answer any questions.

TREE PLANTINGS FROM THIS PAST YEAR

Recent participation in the Village's Tree/Bench donation program resulted in several additions being made to Village Parks in honor/memory of loved ones. The Village of Ashwaubenon Parks, Recreation and Forestry Department would like to offer our sincere gratitude for these generous donations.

FAQ REGARDING THE STREET DEPARTMENT

Important information from the Ashwaubenon Street Department.
Contact the Public Works Department at 492-2310 with any questions.

GARBAGE AND RECYCLING:

Garbage and recycle carts must be kept 3 feet apart for pickup. Carts should be placed at the curb by 6 a.m. on your garbage day and after pick up all carts must be placed out of sight. **Due to trip and fuel costs, the Village will not make return trips for carts not placed out to the street on time the morning of your designated day.**

Options: If you notice that the neighbor carts across the street from you has not been picked up you may put your container on the opposite side of the street for pick up.

Garbage: You may bring your garbage to the Brown County Transfer Station at 3734 W Mason Street.

Recycle: May be brought to the Recycling Transfer Facility located at 2561 S Broadway.

Learn what your garbage day and recycle week are @ ashwaubenon.gov/garbage

LEAF PICK-UP 2026:

Leaf pick-up will start approximately on October 5th and continue until the first snow fall. The leaf trucks start at the north end of the Village and work south. This route is continued throughout the leaf season. Some areas of the Village do take more time to complete and we greatly appreciate your patience during this season. **Check out our leaf pick up tracking app at ashwaubenon.gov/leaves.**

SPRING CLEAN UP 2027:

The Village of Ashwaubenon does have a spring clean up from mid-April through mid May where residents can put grass out to the curb for pickup. Another option for yard waste and leaves is to bring it to the Village yard waste site. This facility is located off of Cormier Road, between Holmgren Way and Ashland Avenue on Collaer Court.

COMPOST AND WOODCHIPS

Compost and woodchips are available for your landscaping needs. Piles of each item are located at the yard waste site on Collaer Court.

APPLIANCE PICKUP:

All appliances with freon must be taken to the Brown County Transfer Station. You may also call David's Appliance at 920-496-9896 or Townline Recycling at 920-562-2822 for pickup. Fees may be associated with disposal.

FIRE WOOD:

Cut/split fire wood is available for \$70.00 a face cord at the Village Garage. (8'x4'x18") Must be picked up between 7:00 a.m. - 2:00 p.m., Monday - Thursday.

LARGE ITEM COLLECTION

• Use website to report your address requesting service www.ashwaubenon.gov/largeitem

- Collection will occur the third full week of the month
- **All Waste must be placed to the curb on Monday and will be picked up throughout the week (Village will not return to pick-up items that were not put to the curb Monday at 6 a.m.)**

PUBLIC WORKS DEPARTMENT

A FEW WINTER REMINDERS

- It takes our crews 8-10 hours to plow the entire Village.
- The snow at the end of driveways happens in the normal process of snow removal.
- By Village ordinance, the Village crews will maintain the sidewalks in the school zones within 24 hours of a snowfall. All commercial sidewalks are to be cleaned of snow by the property owner within 24 hours of a snowfall.

MAPS & APPS

The GIS Department creates various GIS apps to view info such as property lines, air photos, garbage/recycle pickup, zoning, floodplains and more! They also publish many static maps that may be downloaded as PDF's. These maps include parks, construction, street dept. routes, utility maintenance & etc.

Visit Ashwaubenon.gov and, at the top of the page, click on 'Maps & Apps' to see what's available.

Let us know what kind of app would be useful for YOU!

NO OVER NIGHT PARKING

By Village Ordinance 7-4-103 there is no overnight parking on any streets from November 1st through March 31st. Due to the size of the plow trucks it is very hazardous to try to maneuver around parked vehicles. Please be cautious during the winter months and be observant to the weather conditions to ensure that your vehicle is not parked on the roadway during these months.

PROPER MAILBOX HEIGHT

During the winter season, unfortunately, several mailboxes are damaged during the snow removal process. This diagram shows the correct installation height to allow for the clearance of the snow plows.

Mailboxes not properly installed are at risk of damage at owner's expense/replacement.

- The door of the mailbox should be flush with the back of the curb.
- 38" from the bottom of the mailbox to the top of the curb or minimum height of 44" from roadway.

WITH THE SEASONS, DIFFERENT ORDINANCES ARE AFFECTED

Please keep in mind the following ordinance during the winter months:

19-3-190 Deposit of snow or ice on street:

No person shall remove any snow or ice from their premises, residence, parking lot, parking area, service station or business property onto any public right-of-way or property. Snow removed from public sidewalks shall not be stored in any manner which will obstruct or limit a vehicular or pedestrian vision, movement or access.

In summary, we ask that property owners not clear out their driveway and push the snow into the street.

LANDLORD AND TENANTS

The Village of Ashwaubenon has adopted NFPA 14.4.1 general, means of egress shall be continuously maintained free of all obstruction or impediments to full instant use in case of fire or other emergency.

If there is a ground level patio door and/or entrance door, there must be access to the outside, and a shoveled walkway.

Also, 5-4-607 Driveways and sidewalks: All sidewalks, steps, porches, driveways and parking spaces shall be maintained in good repair and in such condition as not to pose a hazard to public health and safety.

Please have a fun and safe winter season and if at any time you have question or concerns, please feel free to call us at 492-2309.

LEAF COLLECTION

Fall leaves provide beautiful color on trees, but in local waters, they contribute to algae blooms—not pretty!

Options to deal with leaves so they don't impair the health of waterways include:

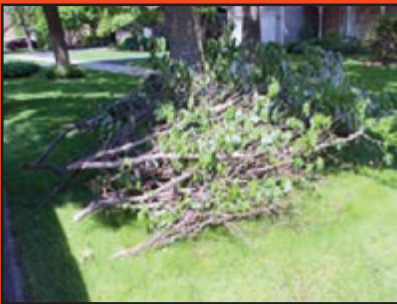

1. **Mulching** - you can mow over leaves & leave them on the land
2. **Composting** - mix leaves with other lawn trimmings to create a rich soil for landscaping
3. **Raking & Collecting** - be sure to follow community collection policies and cover leaves with a tarp between pick-up times

CURBSIDE BRUSH COLLECTION

The Ashwaubenon Public Works Department made operational changes that were implemented in 2025. Below are the most notable changes in relation to services provided, all changes went into effect on January 1, 2025:

EXAMPLES OF ACCEPTABLE BRUSH PILES FOR VILLAGE PICK-UP

BRUSH COLLECTION

-Use website to report your address requesting service
<https://ashwaubenon.gov/brush>

- Village will continually collect brush with approximately a 4 week cycle between pick-ups
- Maximum Overall Pile Size 10 Cubic Yards (15'X6'X3') / Mid-Size Sedan
- Charges 11-20 Cubic Yards \$200, 21-30 Cubic Yards \$500
- 31 Cubic Yards or more will not be collected
- Cut Ends towards the roadway
- Piles need to be orderly (See photos)
- No grass clippings, garden waste, or leaves mixed in
- No contractor generated waste
- No Maximum Diameter or Length
- Accept Stumps/Roots Balls/Large Trunk Sections
- Trunks/Large Chunks (>8") need to be separated from branches
- Do not place brush in the roadway, curblane, ditches or on sidewalks. Keep all brush away from fire hydrants, electrical poles, low hanging wires, fences, mailboxes or other objects in the yard.

More Information Here: <https://ashwaubenon.gov/government/departments/public-works-streets/brush-collection/>

EXAMPLES OF UNACCEPTABLE BRUSH PILES FOR VILLAGE PICK-UP

Brush set out to the street that is not following the above guidelines will not be collected by the Village as part of its brush collection program and will be subject to enforcement action under Municipal Code Section 18-2-33.

E-MOTOS (NOT LEGAL E-BIKES)

"E-motos" or electric dirt bikes, or mopeds/motorcycles may look similar to electric bicycles, but they typically do not meet the legal definition of an electric bicycle under Wisconsin law. These devices often exceed allowable speed and power limits or include features that classify them as motor vehicles rather than bicycles. As a result, they are not permitted on bike paths, sidewalks, or other areas designated for bicycles, and they may require registration, insurance, and a valid driver's license to operate legally.

ELECTRIC BIKES (E-BIKES): WHAT TO KNOW

"E-bike" is a marketing term and does not automatically mean the device meets Wisconsin legal requirements. Before purchasing or riding, parents and guardians should confirm the device qualifies as an electric bicycle under state law. Because bicycles and e-bikes must be registered with the Village, registration is a good opportunity to verify compliance with local code.

RIGHTS & RESPONSIBILITIES

Under Wisconsin law, electric bicycle riders have the same rights and responsibilities as traditional bicyclists. The Village of Ashwaubenon also enforces additional local regulations, including:

- Required bicycle and e-bike registration
- Helmet requirements for riders age 15 and younger
- Restrictions on where riding is allowed, such as sidewalks and trails

PARENT & GUARDIAN RESPONSIBILITY

Parents and guardians should make sure children understand how to ride safely, follow traffic laws, and comply with local regulations. Under Village Code and Wisconsin law, parents are responsible for their child's actions, and violations may result in the parent being cited into court (Wis. Stats. § 346.77).

CO-SPONSORED ORGANIZATIONS

ASHWAUBENON YOUTH FOOTBALL

PRESIDENT: STEPHANIE REIMER (920) 366-8698

The Youth Football program is a tackle program open to all 7th and 8th grade Ashwaubenon residents. This program teaches the fundamentals of football, basic tackling, and teamwork. League play is through Great Lakes Conference. More information is available on the youth football website: www.ashwaubenonlionsfootball.com

Monthly meeting is normally held the third Wednesday of the month at the Village Hall.

ASHWAUBENON SWIM CLUB (ASC)

PRESIDENT: MARIA ANDERSEN (262) 365-8017

The Ashwaubenon swim club is a year-round program designed for any youth who can swim one (1) pool length front crawl and back crawl. Participants may join at any time. The club's major goal is to improve skills, endurance and technique in the competitive swim strokes.

Practice schedules vary throughout the year. Participants are divided into six groups depending on their age and skill level. All practices are held at the high school pool. www.asc-wi.com

Monthly parent board meetings are held in the small commons at the high school. Please contact Maria at ascjaguars@gmail.com for meeting information.

WHAT IS A CO-SPONSORED ORGANIZATION?

The Ashwaubenon Park Board co-sponsors the seven youth organizations that are listed on the next two pages. The organizations are Ashwaubenon Youth Baseball (AYB), Ashwaubenon Youth Soccer (AYSA), Ashwaubenon Girls Softball (AGSA), Ashwaubenon Wrestling Club (AWC), Ashwaubenon Special Children's, Ashwaubenon Swim Club (ASC) and Ashwaubenon Youth Football.

As a co-sponsored organization the village provides each group with the following:

- 1) Funding for equipment and/or wages.
- 2) Free facility use (ball fields, gym, pool, etc.)
- 3) Upkeep and grooming of all facilities
- 4) Insurance coverage
- 5) Free use of community center for their meetings
- 6) Provide a staff liaison to attend co-sponsored board meetings.
- 7) Provide a staff liaison to help with facility or program concerns
- 8) Plus miscellaneous other items

In return the co-sponsored organization is responsible for the following:

- 1) Day to day operations of their organization
- 2) Handle all registration and money
- 3) Provide contact person to department and all participants
- 4) Have a governing board that meets on a regular basis
- 5) Provide budget information to department each year
- 6) Follow participation rules - equal playing time for all participants
- 7) Follow Parks and Recreation Department philosophy in program - skill development focus, equal play and opportunities for all participants and focus on fun and skills rather than "winning"
- 8) Plus miscellaneous other items

This unique relationship seems to work and provides for low cost, well-run recreation programs for hundreds of children each year.

ASHWAUBENON WRESTLING CLUB (AWC)

PRESIDENT: DAVID PINK (608) 572-4041

The Ashwaubenon Wrestling Club is a program designed to promote an interest and to insure a safe and organized approach to the sport of wrestling. The club emphasizes the value of competitive sportsmanship and fair play.

Members are taught wrestling basics and conditioning in a program that runs from December thru March. Practices are held twice a week at Ashwaubenon High School. AWC is open to those who reside within the Village of Ashwaubenon and in Kindergarten thru 8th grade.

Registration for the program will be held on November 1st at the Ashwaubenon High School Field House. www.ashwaubenonwrestling.com

Program schedules regular monthly meetings, please contact David Pink for meeting information.

ASHWAUBENON YOUTH SOCCER ASSOCIATION (AYSA)

PRESIDENT: MELODY ESCOTO (920) 593-4452

AYSA is open to all resident of Ashwaubenon from ages 5- 18 years old. It is a recreational soccer league with emphasis on team play, fun, learning skills and good sportsmanship. There are no tryouts; everyone makes a team and is guaranteed playing time. The soccer season runs from mid-May through the end of July. Soccer registration opens online January 2nd.

www.ashwaubenonyouthsoccer.com

Monthly meeting is normally held the first Wednesday of the month at the Ashwaubenon Community Center.

CO-SPONSORED ORGANIZATIONS

ASHWAUBENON YOUTH BASEBALL, INC. (AYB)

PRESIDENT: JARED LEMON (920) 634-6660

AYB is a volunteer organization that works with the youth of Ashwaubenon in connection with the Parks and Recreation Department to provide the highest quality play possible, as well as provide for the key elements of team play, sportsmanship, social values and fun. It is designed to provide the instruction of baseball skills to young people between the ages of 5 and 18. The playing season runs thru July.

Registration for baseball is held at the beginning of February. www.aybaseball.com

Monthly meeting is normally held the first Wednesday of the month at the Ashwaubenon Community Center.

ASHWAUBENON GIRLS SOFTBALL ASSOCIATION (AGSA)

PRESIDENT: TBD

AGSA is a group of volunteers working together to provide both a learning and fun environment for girls wishing to play softball during the summer. Girls who reside within the Village of Ashwaubenon and are in Kindergarten through 10th grade are eligible to play. All girls registering for the leagues will be on a team. The playing season runs through July. Registration for softball is held at the beginning of February. www.agsasoftball.com

Monthly meeting is normally held the first Sunday of the month at the Pioneer School (winter months) and Pioneer Shelter (summer months)

CO-SPONSORED BOARD MEETINGS

Each co-sponsored organization is required to have a governing board that meets on a regular basis. The board is typically comprised of parent volunteers. Many volunteer hours are spent at meeting and completing the various tasks need to be completed to successfully run the program.

So where and when do the various co-sponsored meet? Each organization meets a different time and place depending on what works for them. All meetings are open to the public and everyone is encouraged and welcome to attend. Specific meeting times and sites are listed under each organization below. Each

organization is required to set and have an agenda available at least a week before each meeting and must keep and distribute meeting minutes before each meeting as well. Meeting agendas and minutes can be found on the Village website at ashwaubenon.gov. Where possible the co-sponsored organization will have agendas and meeting minutes posted at the playing site during their season.

If you would like to become a board member, the organizations are always looking for additional volunteers and would encourage you to get involved by attending one of their meetings to find out more.

TAX COLLECTION NOTICE

Here are the only collectors for the upcoming 2026/2027 real estate tax collections.

Village of Ashwaubenon: First installment Real Estate only

Brown County: Second installment Real Estate only

The Village of Ashwaubenon will again only collect the first installment of real estate taxes for the 2026-2027 tax collections. Village Hall will continue to be the only physical collection location. Tax payments can always be mailed or paid online. By state statute, the Village of Ashwaubenon cannot collect the second installment payments. Brown County does not accept the first installment of real estate tax collections; however, will remain as the sole collector of any second installment payments.

Taxpayers are encouraged to pay their taxes online or via mail to avoid long lines at Village Hall. The Village website Ashwaubenon.gov/taxes will have a tax collection link with further instructions later this fall. Please contact Greg Wenzholz, Village Finance Director/Treasurer with any questions.
